PRESIDENTS REPORT

Thank you all so much for your participation at Kyogle. The meetings we need to have are always an issue, but we got through them as quickly as we could. Now that we have voted for general meetings every six months, it is important that communications from the secretary are read and are a 2way event.

The cooler (cold) weather has come and now is a great time for outdoor fires and sitting around in the sun. Looking forward to doing this at Landsborough, as well as practising our disc bowls before the State Rally at Pittsworth. I'm sure that we will have some wonderful camp oven food, although if it is like mine it could be a problem, as I still haven't mastered the art, but keep trying.

My hope for the State Rally is to see lots of Black, White and Red. Don't forget to book in as we will be going from Allorah rally to Pittsworth. If you have any questions please give myself or Lyndell a call.

If you are reading this NEWSLETTER and wondering how come, as we didn't have a volunteer, then think again. Lorraine Taylor has volunteered to assist in putting the newsletter together and I am extremely grateful that she has done this. Communication with members is very important and I hope you all appreciate the effort this will take.

Landsborough Scout Camp will be a great venue with access to many drives, and places of interest. We will visit Bankfoot House which I never knew existed until I did a short drive around with a friend to check out all the individual mountains. We heard a lot of the stories of the mountains, when we were at Maleny so good to see them all Close up

Bankfoot House is a heritage-listed homestead at 1998 Old Gympie Road, Glass House Mountains, Sunshine Coast Region, Queensland, Australia. It was built in 1878 and was added to the Queensland Heritage Register on 11 December 2008.

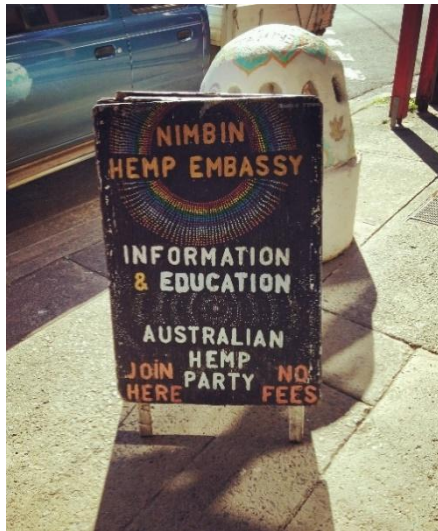

See you all at Landsborough

Carolyn

EDITOR'S NOTE ---LORRAINE T.

I have undertaken to edit our Stork Notes on a trial basis. Please take note that I am just in the learning phase. The paper will only be as good as your contributions.

In order for it to be sent for proof reading and then uploaded to our web page I will require everything to be submitted as soon as possible after the previous Rally, as it is essential to then have it on our web page by the 1st of the month.

I have had a request that only first names be used on our Newsletter. This will save any threat of scamming or identity theft through our web page. We only use first names at Rallies as so Surnames are definitely non-essential. I am adding the first letter of surnames as several of us have same Christian names.

FROM THE RALLY MASTER

We will be doing some camp oven cooking at this rally, as well as enjoying our time sitting around the camp fire, so we need plenty of wood. If you could bring some that would be greatly appreciated. Longer leads and hoses may be required so include them too.

At ongoing rallies please phone me to discuss if you need to arrive, before the revised committee time, of 1.00 pm. Wednesday. My phone number is 0417731902 as shown on the front page of our newsletter.

Thanks and Cheers, Brian

ACTIVITY CO-ORDINATOR'S REPORT LANDSBOROUGH

On Friday we are doing a tagalong to historical Bankfoot House for morning tea and guided tour and then on to Peachester, where I believe the pies and sausage rolls are to die for. The morning tea is complimentary. A tour of the homestead is by a gold coin donation. We should be in Peachester in time for you to purchase one of the goodies for lunch. Sounds like a great day.

Saturday night will be a shared camp oven dinner so I know there will be some great dishes, as there has been at previous rallies. Dessert will be provided.

After dinner on Saturday night Bingo will be played so come along and try your luck.

The camp fire will be lit each day so it is important that all members bring along firewood so we can all enjoy the atmosphere. Looking forward to seeing you all there, cheers Fay
