## PRESIDENTS REPORT

Thanks to all for your participation and help at the Marburg Rally. It always surprises me when you go to a place like Marburg Showgrounds and find different things to do and see.

Even as I write up these notes, the Jets from Amberley that we saw flying over every day at Marburg are heading back to Amberley, flying over us at Pacific Paradise on the Sunshine Coast. Each day they fly over at around the same time and head out to sea and then back again.

Following our next rally at Allawah Scout camp, many of us are heading to Pittsworth for the State Rally. You still have time to come if you decide to go and for those that are coming they will have a great time meeting up with members from other Caravan Clubs.

Simple pleasures such as caravanning and just being with others are so precious. We are reminded of this daily with reports of Covid and the troubles in Afghanistan. We need to provide love and compassion supporting our fellow human beings and at the same time looking for beauty and peace wherever we can.

Beauty is in the eye of the beholder and I choose to see it everywhere and hope we all do.

I look forward to seeing all my friends at the next rally.

*Carolyn*

## LEOD FOR AUGUST -

MARBURG - \$3,046

Some may not realize the importance of these figures. These figures are sent on to State Executive-who pass on yearly to each Council what RV'ers spend in their areas. This then helps us to get dump sites and friendlier Councils and Show-ground Societies plus free camp sites.

A new supermarket opened near my house. It has an automatic water mister to keep the produce fresh. Just before it goes on, you hear the sound of distant thunder and the smell of fresh rain. When you approach the milk cases, you hear cows mooing and experience the scent of fresh hay. When you approach the egg case, you hear hens cluck and cackle, and the air is filled with the pleasing aroma of bacon and eggs frying. The veggie department features the smell of fresh buttered corn. I don't buy toilet paper there any more.

## ACTIVITY CO-ORDINATOR'S REPORT ALLAWAH SCOUT CAMP

I'm sure you are all aware by now that the rally will be on the 2<sup>nd</sup> weekend of September due to the State Rally being on the 3<sup>rd</sup> Weekend.

For lunch on Friday we will be going to the Queens Park Café, where dogs are welcome on their verandah. Nearby is their Nature Centre which is worth a wander through. It's like a mini zoo, understandably dogs are not allowed in this area.

On the Saturday night we are having a cross dress night. Looking forward to seeing all the men dressed up in their best frocks and high heels and the ladies coming along in masculine outfits. The best dressed male, female and couple will win prizes. I'm sure your imagination will run wild. The club will be catering a roast meal and dessert for the night, with the cost being \$10 a head.

The scouts camp is selling 30 kg of firewood for \$15 so we've decided to buy it when we get there, to save members bringing along. Apparently they also have a woodpile, we can cut wood from this (may save us buying some of the wood). The cost will be divided up amongst the members and included on your rally fees sheet. They are also selling honey from their on site bees. \$6 for 600 ml and \$10 a kilo. Also pure honeycomb for \$6.

The scouts camp is on the banks of the Brisbane River so the keen fishermen of our group may like to bring their fishing rods along. Great way to relax.

Looking forward to seeing you all there,

Cheers Fay

### FROM OUR RALLY MASTER

The catering team will be organising a lovely baked dinner for us on Saturday night. For this reason I will require to know the number of members attending the rally. If you were not at the Marburg rally, or you were not sure if you will be attending the Allowah Rally, at Mt Crosby, could you please advise me by **Saturday 4th September 2021.**

For ongoing rallies, if you wish to arrive before the revised committee time of 1.00 pm, please phone me on 0417731902 to discuss.

Thanks, Brian
