PRESIDENTS NOTES

Thank you all for your participation in making our Christmas Rally a huge success. Santa arrived and brought sleighs full of wonderful presents for all our members and the Day-boro CWA fed us a plentiful meal to add to our enjoyment.

The New Year is upon us, and we all look forward to lots of travels and new adventures with Jabiru Caravan and RV Club. Many (hopefully) will be travelling to South Australia for the National Rally which means all club members will be asked to take on extra jobs over the time to keep the Club going whilst some are travelling, and others stay home and enjoy their Caravan Club mates.

Now is also time to think about new members. If you have friends, neighbours or know of anyone who has an RV vehicle how about letting them know about our club and ask them to come along and join us. Remember they can come along and meet us and see if they would like to join us. We also have an invite that you could pop in a letter box or hand to someone if you would like it.

The Club is made up of its members and its members make it work by coming to rallies and participating in activities, giving suggestions and in general helping others to enjoy themselves. We need to respect each other and sometimes make compromises like you need to do with any family or close group communities. Each of us has opinions and different things going on in our lives and the club weekends often is a break away from the reality of our lives which at times can be hard.

Be proud of our Jabiru Caravan and RV Club and proud to represent it at any community we attend.

I look forward to seeing everyone in the New Year. Let's start with our New Year party at Kenilworth and enjoy once again the wonderful Sunshine Coast Hinterland Communities.

On a more serious note, a reminder to those who will be at Kenilworth to keep track of the current Covid regulations which may include the wearing of masks. It is also advisable to be outdoors in the fresh air. Please ensure we respect all opinions at this time. We do have members who have underlying illness.

Important Note: We will need to show our proofs of vaccination at the Pub and other venues,, If you have on your phone that is fine but if not you will need to produce a paper copy before entry. It should be on your MYgov site and then can be uploaded to your checkin site.

Happy New Year and see you all at Kenilworth. Stay safe.

Carolyn

GOOD NEWS FROM OUR SECRETARY

Hi Everyone,

For those members who were unable to attend our December Rally, I was pleased to announce that our grant application for the purchase of a defibrillator has been approved. I received a phone call on Tuesday 7th December from my local State Member, Ms Kim Richards, to advise our grant had been successful and that we would soon be receiving a confirmation email from the Gambling Community Fund.

Attached are the two letters I received regarding the approval of the grant. The grant money of \$3,250 has already been deposited into our bank account and I have sent information to the Paramedic John Bradbury, who came to the Maleny Rally in September, 2020 to give us a presentation on using a defibrillator. John will go through the information I have received from various suppliers and advise which defibrillator would be the most appropriate for our needs and it will then be purchased.

ACTIVITY CO-ORDINATORS REPORT

I hope everyone had a great Christmas and New Year with loved ones.

We are back to our favourite January rally destination, Kenilworth. With the pool on the grounds it's a bit hard to resist at this time of the year. I think it's important to have a relaxed rally after the hustle and bustle of Christmas and the new year. I hope everyone gets lots of time to cool off in the beautiful pool.

On Friday we are having a tagalong to a mystery picnic destination. The country-side is so green and lush at the moment so the drive will be worth it.

I have organised us to have dinner at the Kenilworth Hotel on Friday night so I hope you can all come along.

On Saturday night we are having a Welcome to 2022 party. Please bring along a Finger Food Plate to share. There will be lots of fun and games to help us celebrate the end of 2021 and the beginning of 2022. Lets hope 2022 is great one for all of us.

Looking forward to seeing everyone there,

Cheers Fay
