PRESIDENTS NOTES

Another rally, the first for 2022 has come and gone and although we only had 9 vans and 3 were visitors, we had a great restful time. Kenilworth is a great venue and once again didn't disappoint us.

Our visitors, Denise and Ian, Joan and Nita and Pauline and Gerry all came along, and we felt as though they had been with us forever. We really appreciated sitting around and savoring Joan's Cocktails for Happy Hour.

Once again, we are asking if you have any friends, family or acquaintances who may like to join a club bring them along to try the club out and meet other like-minded travelers.

The National Rally for 2022 in South Australia has been postponed for the same time in 2023 so there may be some changes to our program. Please ensure you read your newsletter and any emails coming from the Secretary. Many of those who were intending to travel to SA, are still considering travelling but maybe in different directions, you might like to consider tagging along for some of the journeys. If you have any queries, please either give me or Secretary Lyndall a call.

On a serious note, as a club we have decided to continue with rallies as many remarked they felt safer in the country air sitting talking to friends than even going to the supermarket. To ensure the safety of all club members we ask that you ensure you have no cold symptoms when attending, wear masks if you feel more comfortable and respect all our members opinions. We follow all guidelines as set out by the Qld Government.

It is that time of year again when we need to think about club positions on the committee. All positions will be declared vacant, and I ask that you consider having a turn and taking up a position. This gives everyone an opportunity to have input into the running of the club for all our members benefit.

See you all at Beerwah Sports Ground

Carolyn

TAKE NOTE: Our March Rally which was to be held during the send week of March has been altered to the third weekend. Originally we were holding it in the second week as many were originally going on to the National Rally in SA. That has now been postponed until 2023 so we are going back to our normal 3rd weekend. (16th-21 March).

GOOD NEWS FROM OUR SECRETARY

Hi Everyone,

For those members who were unable to attend our December and January Rallies I was pleased to announce that our grant application for the purchase of a defibrillator has been approved. I received a phone call on Tuesday 7th December from my local State Member, Ms Kim Richards, to advise our grant had been successful and that we would soon be receiving a confirmation email from the Gambling Community Fund.

The grant money of \$3,250 has already been deposited into our bank account and I have sent information to the Paramedic John Bradbury, who came to the Maleny Rally in September, 2020 to give us a presentation on using a defibrillator. John will go through the information I have received from various suppliers and advise which defibrillator would be the most appropriate for our needs and it will then be purchased

Regards, Lyndell

ACTIVITY CO-ORDINATORS REPORT

Beerwah sportsgrounds is a great summer venue with the swimming pool right next door for those who need to cool off.

Carolyn will be visiting the area before the rally to find all the hidden treasures of the area. We already know it is not far from Australia Zoo for those who haven't been there.

We will be eating out at one of the town's pubs or clubs on Friday night. Saturday morning the club will be providing a pancake breakfast so bring along your appetites.

On the Saturday night please bring a meal to share. We will be celebrating Valentines Day and Sarah has offered to help me organise some games for us to play so its bound to be a fun night.

Please come along and join in the fun and laughter always had at our rallies.

Cheers Fay
