VICE-PRESIDENT'S REPORT

Oakey turned out to be an excellent venue. We were all parked close to the hall and toilets with nice flat sites. We enjoyed some great campfires due to all members contributing to the firewood.

Marianne did a wonderful job with the activities, which were well organised and enjoyed by all. The trip to the Australian Army Flying was a highlight, and actually enjoying a picnic in the park with no rain was very unusual. Maybe the picnic jinx has been lifted.

Saturday night at the Oakey R.S.L. reminded us what a country club is all about. The food was delicious, and the size of the meals was extremely generous. Some members, though, had no trouble getting through all they had on their plates.

The ladies showed off their works of art on Sunday Morning. Quite an effort, girls. Thank you, Marianne, for a job well done.

It was Col's third rally (in his 'new to him' caravan), which means he will be inducted into the Club at his next rally. Welcome to the Club, Col and of course, also welcome to Digger and Rocco. I hope you enjoy many years with the Jabirus.

Our next rally will be at Woodford. We are allowed fires again, so don't forget the firewood. Marianne has been busy working on the activities, so it's bound to be a fun-filled rally.

To those who can't attend rallies at the moment due to poor health, I hope you get well soon so we can enjoy your company at future rallies.

See you at Woodford.

Bob (Sir Robert)

JUNE RALLY ROUNDUP (by the Editor)

Some of us braved Crows Nest again this year prior to the June Rally at Oakey. We had Aivars all primed up for how cold it was going to be (based on the previous 2 years) so he went all out with electronic heating devices (the electric chair was a highlight).....only to find it wasn't anywhere nearly as cold this year. We were lucky enough to see the Chinese Rocket (not that we knew what it was at the time!).

After Crows Nest we had a couple of nights free camping at Bowenville Reserve which was fun, then onto the Rally at Oakey.

Oakey is definitely a quintessential country town....as Bob said, the RSL meals were outstanding. I think Col has hollow legs!

The Army Flying Museum was a lot of fun.....I have to admit I nearly pulled the 'work' card to avoid this one but luckily I didn't. The tour, led by Scotty Downes, was very interesting and gave us a load of background info to the exhibits in the museum. And getting to sit in a Chinook.....how much fun was that!

We had some great fires (at all the venues I was at!) and only a little bit of rain.....there were some dedicated camp fire enthusiasts on the Sunday by all accounts.

I did note on the news last night that Oakey had an overnight low of 5 degrees.....it was definitely a little warmer than that when we were there!

Next month it's off to Woodford. I won't be there but I'm sure you'll all have loads of fun. I'll be out at Roma attending some Health & Safety training.....nowhere near as much fun...but I am taking the van out so I can feel like I'm at a Rally.

"DUE TO THE HIGH ELECTRICITY PRICE, YOU'LL HAVE TO PAY A 25 BUCKS DEDUCTIBLE. AS YOU WILL UNDERSTAND, I'D LIKE TO HAVE IT IN ADVANCE."

I didn't notice any restraints on Aivars' chair...nor was he wearing an usual hat. It did have a light underneath though!

**Holy Moley.....there was no doggy bag involved
in clearing that plate!
Digger & Rocco missed out.**

ACTIVITY COORDINATOR'S REPORT

We had 12 vans attending the Oakey Rally. Rob & Helen had to leave early because of a water leak in their van, but Colin came on Friday so we were back to 12 again.

The use of the hall was great so we were able to have our crochet workshop on Thursday in the hall. That worked out well.

On Friday we went on our tag-along tour to the Army Flying Museum. The two-hour guided tour was very interesting. Then a 5 minute drive to Gordon Park for our BYO picnic. Even the weather was on our side with no rain.

Then on Saturday afternoon we finished our Towel Topper. Great job ladies - I'm very proud of all ladies, specially the one or two who have never done any crocheting.

In the evening we had dinner at the RSL Club. The courtesy bus picked us up and dropped us back to our vans again. The meal was great and plentiful.

For happy hour we had 3 firebugs. The jury is still out re which one was the best. I'll let you to be the judge.

Our next Rally will be at Woodford. It is very well known for the Folk Festival, and it has its very own military tank, plenty of Cafes and a Golf Club.

On Friday at 1:30pm we will be making a Birthday Card. I will make up the kits and bring everything to make the Card. The charge is \$5.00 per Card to cover the cost of materials, so I need to know numbers. **Please send me a message if you would like to make the Card on 0418 710 721.**

On Saturday morning we will have a pancake breakfast; yummy. The cost is \$5.00 and in the afternoon we will have a game of Disc Bowls.

For any members who are still here on Sunday, there is a market in Woodford. From 10:00am we can also go on the Steam Train ride (dogs are allowed) which is about 15 minutes one way. At the end of the train line is a great Cafe where we can have morning tea or lunch and then have a ride back.

Cheers Marianne
